RE: Monthly Reports August 1995 - Year End Report 1995

Dear Mr Gibson:

I am amending the above listed reports. The fundraising transfers that are 100% non-federal are being reported on the following month Schedule H3. Since we do not know the percentage until the end of each month, in the future we will not show this transfer in the current months estimated transfer made on Schedule H3.

If you have any further questions please do hesitate to contact me. 202-863-8755.

Sincerely,

Pat Huyck  
Director of Accounting
